JURY TRIAL DEMANDED ON ALL ISSUES, INCLUDING FACT AND LAW

I, Loushonda Myers, now petitions the Court to disqualify and remove United States Magistrate Judge Robert B. Jones, Jr. and United States District Judge Terrance W. Boyle from further action in this suit, pursuant to Title 28 U.S.C. § 455; prejudice, bias, "plain error" of law; abuse of discretion, not reading pleadings, evidence, documents; ignoring fundamental facts, documents, and materials; and making substantive and fundamental mistakes.

28 U.S.C. § 455 states, "Any justice judge, or magistrate judge of the United States shall disqualify himself in any proceeding in which his impartiality might reasonably be questioned". I complain and claim that Magistrate Jones, Jr. (also referred to herein as Magistrate Jones or Judge Jones) and Judge Terrance W. Boyle (also referred to herein as Judge Boyle) have given the appearance and perception of impropriety; have violated the Code of Conduct for United States Judges; have ignored stare decisis; and have failed to uphold and support the United States

Constitution.

My complaints are detailed in the following Memorandum of Law and I am demanding immediate removal and/or disqualification of both Magistrate Jones, Jr. and Judge Terrance Boyle from presiding and/or any involvement in my suit- among other things. I am respectfully demanding that this Motion and attached Memorandum be read and reviewed by an Article III Judge other than Magistrate Jones, Jr. or District Court Judge Boyle.

August 6, 2015.
